

Bacchus Beyond Explore Tasting

Buongiorno Sangiovese!

Sangiovese is the classic red grape of Tuscany, making some of the most highly prized (and expensive!) red wines in the world. Sangiovese wines are characterised by cherry red fruit flavours with complexity and depth but a lighter, fresher feel than other old world classis. The good news is that you can find Sangiovese wines with many of the characteristics of a Tuscan Titan at a much more affordable price. **Buongiorno Sangiovese** will showcase our range from budget to premium wines and the joys that they all of them can bring, whether as a perfect companion to a takeaway pizza to a sumptuous classic red to saviour alongside that special, celebratory meal.
